

THE SILVER STATE.

VOL. LXI.

WINNEMUCCA, NEVADA, MONDAY EVENING, NOVEMBER 17, 1902.

NO. 27

Observe Thanksgiving.

The people of Nevada in retrospect of the year 1902 have, by such review, abundant cause to rejoice for plenitude of happiness and prosperity, not by reason of the handwork of men alone, but from any source other than God's favors bestowed. Sunshine, moisture and favorable climatic conditions have, by the intelligent effort of industry, brought forth abundant returns to the farmer.

Nature's storehouse of mineral treasures incased in the mountains of our State has been invaded to meet the demands of civilization, resulting in enlarged benefits and profits to our people.

The enjoyment of contentment and a feeling of security from pestilence or danger has prevailed through the providence of God.

President Washington on the 3d day of October, A. D., 1789, by thanksgiving proclamation, gave utterance as follows:

"Whereas, it is the duty of all nations to acknowledge the providence of Almighty God, to obey his will, to be grateful for His benefits, and humbly to implore His protection and favor."

Other Presidents, including our present Chief Magistrate, have followed the illustrious example.

Therefore, in deference to the long-established custom of our fathers, I earnestly recommend that Thursday, the 27th day of November, be observed by the people of Nevada by uniting in sentiment with the people of other States and, with thankful hearts, do homage to the Supreme Ruler of the Universe, in return for innumerable blessings received by Nation and State. Upon the day named let those who have enough and to spare give sympathetic aid to the poor, so that all may realize the pleasure unrestrained by poverty and want.

In witness whereof, I have hereunto set my hand and caused the Great Seal of the Capitol, in Carson City, this 12th day of November, 1902.

REINHOLD SADLER,
Governor.

EUGENE HOWELL,
Secretary of State.

Beware of Ointments for Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from regular physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by all druggists. Price 75c. per bottle.

Hall's Family Pills are the best.

Chicken and Biscuit, Too.

"When I was placed on my first charge as an itinerant Methodist preacher," said the Rev. James B. Anthony, a prominent divine down South, "I did not fare so well. My next circuit was different. The very first day of my arrival I called my congregation together and said to them:

"Brethren, I have come among you as your pastor to do what good I can for you, and dwell in peace and harmony with you. Let me say I am as good as you are and you are as good as I am. I am willing to live as you live. If you live on corn bread and fat bacon, that's good enough for me, but if you live on chicken and biscuit, this parson is bound to live on chicken and biscuit, too."—Ex.

Cured of Piles After Forty Years.

Mr. C. Haney of Geneva, O., had the piles for forty years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, lacerations, eczema, tetter, salt rheum, and all other skin diseases. Look for the name DeWitt on the package—all others are cheap, worthless counterfeits. Brown Bros.

TWO DEATHS.

Funerals Took Place Yesterday Afternoon.

THEIR TIME ARRIVED.

Two Well Known Men of Humboldt County Called to Their Eternal Resting Place.

William Woolcock, one of the early settlers and mine prospectors of Unionville and nearby camps who died from Miners' consumption at Mill City arrived on the 2:30 train Sunday and was laid to rest in the I. O. O. F. cemetery. The remains were taken directly from the train to the cemetery.

The deceased leaves, a nephew, Peter Woolcock of this city, and niece, Mrs. Peter Organ of Mill City, to mourn his loss.

Mr. Woolcock has been a resident of this county for many years and scores of people will miss his presence in the county.

W. C. Pitt, James Maris, A. P. Scott, and J. B. Carmichael, all of Lovelock Odd Fellows lodge attended the funeral Sunday and returned home today.

A. Lane one of the county's old pioneers who died Saturday morning at his home on Second street was buried yesterday afternoon. Rev. H. O. Edson, pastor of the M. E. church conducted the services at the residence of the deceased.

Mr. Lane was an aged gentleman of 60 years and leaves a large family to mourn his death. He was known by almost every man, woman and child in this county and will be greatly missed in the future.

Disastrous Wrecks.

Carelessness is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from Throat and Lung troubles. But since the advent of Dr. King's New Discovery for Consumption, Coughs and Colds, even the worst cases can be cured and hopeless resignation is no longer necessary. Mrs. Lois Cragg of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all Throat and Lung diseases by Brown Bros., Druggists. Price 50c, and \$1.00. Trial bottles free.

A Sad Accident.

WADSWORTH, Nev. Nov. 15.—Gilbert H. Graham, who was a switchman in Wadsworth, and formerly a resident of Lincoln, Neb., where he had acted in the capacity of a locomotive engineer for twelve years, was accidentally killed by the discharge of a pistol which a friend was hurling about.

Mr. Graham was shot in the left side and died two hours later. He leaves a wife and daughter to mourn over his death. Mr. Graham was 44 years of age and had been working in Wadsworth as switchman but four or five days when the accident occurred.

A Thanksgiving Dinner.

Heavy eating is usually the first cause of indigestion. Repeated attacks inflame the mucous membranes lining the stomach, exposes the nerves of the stomach, producing a swelling after eating, heartburn, headache, sour risings and finally catarrh of the stomach. Kodol relieves the inflammation, protects the nerves and cures the catarrh. Kodol cures indigestion, dyspepsia, all stomach troubles by cleansing and sweetening the glands of the stomach. What Alfalfa Will Do.

A grower of alfalfa, who has been in the business for twenty years sums up the merits of this plant as follows: First, its feeding value in the form of hay is far superior to that of any other and nearly equal to corn pound for pound; second, its yield per acre is much larger than any other tame grass; third, it combines excellent pasturage with its value as hay; fourth, it is one of the best fertilizers of the soil; fifth, once established in the soil it will last indefinitely; sixth, a ton of well cured alfalfa hay contains almost as much protein as a ton of wheat bran and is worth for feeding almost as much. These facts ought to set men to thinking and experimenting.—Ex.

A child of Mrs. George T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house, she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well known resident of Kellar, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, cuts, bruises and sprains. For sale by Brown Bros.

Why We Sit on Tables.

About ten thousand women are exasperated every day by men sitting on tables. So far as I am aware says a writer in Criterion, women do not pay for the furniture, and it is none of their business how it is used. The habit of men sitting on tables has led to the invention of cushioned billiard tables and will no doubt ultimately result in other clever notions. At one time it was supposed that men chose to sit on tables because they could get exercise without exertion by swinging their own legs and by kicking the legs of the table. The scientific fact is that tables are more magnetic than chairs. If three men walk into a room where there is no women, two of them will make for the table naturally. The third one will try two or three chairs and finally give up in despair and join the others. The source of this magnetism is the friction that women create by polishing tables so frequently. Of course, women say that they only polish tables because men sit on them and spoil them, but this is illogical and feminine. No really clever men sit on chairs. They use their chairs for keeping their papers and things on, also their feet.

Chairs are notoriously immoral. You will notice that a well-bred man, when he finds himself losing his temper, invariably gets up from his chair and makes a direct line for the nearest table. This enables him to keep his temper and to argue reasonably.

One Minute Cough Cure.

Is the only harmless cough cure that gives quick relief. Cures Coughs, Colds, Croup, Bronchitis, Whooping Cough, Pneumonia, Asthma, LaGrippe and all Throat, Chest and Lung troubles. I got soaked by rain, says Gertrude E. Fenner, Muncie, Ind., and contracted a severe cold and cough. I failed rapidly; lost 48 pounds. My druggist recommended One Minute Cough Cure. The first bottle brought relief; several cured me. I am back to my old weight, 148 pounds. One Minute Cough Cure cuts the phlegm, relieves the cough at once, draws out inflammation, cures croup. An ideal remedy for children. Brown Bros.

Stanford Refuses to Play Nevada

The Stanford football aggregation which met defeat at the hands of the University of California team at San Francisco of late, cancelled its game with Nevada Varsity team which was to have been played in the near future.

It is stated that the Stanford team feared it would meet with defeat on the Reno gridiron. It is more than probable that this would have been the case as the Nevada University team is in fine trim and every individual player felt confident that they would win.

The Nevada team has now concluded to go out of commission for the season.

MASK BALL.

Ladies of Alma Hive No. 3 to Entertain.

THANKSGIVING EVENT

The Grandest Affair of the Year Will Be on November 27th in Armory Hall. Ladies' Night

The grandest and most entertaining affair that has ever been held in our city will be in Armory hall on Thursday evening, November 27th, when the ladies of Alma Hive No. 3 will give their grand masquerade ball in which many handsome prizes will be awarded for the best sustained characters.

Every person enjoying this kind of entertainment should turn out on that night and help make this the finest affair of its kind in the history of Humboldt county. There is no reason why it should not be, under the management of Mrs. F. L. Updike as floor director, ably assisted by six other floor managers.

The committee of arrangements has attended to every detail, and nothing has been left unfinished.

No gentleman will be allowed to mask in a lady's costume and no lady allowed to mask in a gentleman's costume.

Every mother should remember that no child under twelve years of age will be allowed in the hall on the evening of Thanksgiving.

Miss Louise Akin and Mrs. M. S. De Long will act as doorkeepers for this grand event.

Tickets to dance will be \$1.00 for gentlemen and ladies will be admitted free.

If you are bilious and seeking advisers,

Take DeWitt's Little Early Risers. Just before going to bed. You will find on the morrow. You are rid of your sorrow—That's all; just enough said.

These famous pills do not gripe, but move the bowels gently and easily, cleansing the liver. Their tonic effect gives strength to the glands, preventing a return of the disorder. Brown Bros.

Engineer and Fireman Injured.

WARSAW, Ind.—A head-on collision between two freight trains on the Pennsylvania road here today resulted in fatally injuring engineer Pearson and fireman Cowell. Both men were residents of Fort Wayne. There were also forty head of cattle and fifteen head of horses killed besides maiming as many more. Many will have to be killed in order to end their severe suffering.

The other engineer and fireman escaped serious injury by jumping from the train.

Will Investigate.

A remarkable case comes to light at Elizabeth, W. Va. An old man there by name of G. W. Roberts had long suffered with incurable cancer. Everybody believed his case hopeless until he used Electric Bitters and applied Bucklen's Arnica Salve. The treatment cured him completely. Now everybody who knows of it is investigating Electric Bitters. It exerts a mighty power to expel biliousness, Kidney and Liver troubles and it's a wonderful tonic for rundown systems. Don't fail to try it. Only 50c. Satisfaction guaranteed by Brown Bros., Druggists.

Rooms to Let.

Furnished housekeeping rooms. For further particulars apply at this office.

Water System For Tonopah.

The main has been laid almost entirely through Main street and during the coming week is expected to reach the reservoir site on Gold Hill. The main pump throws 10,000 gallons every hour into town. The company is now sinking and pumping out another well, and is figuring on connecting the two by a 130 foot tunnel. When this is completed it will form an underground reservoir of ample source.

To Fly to New York.

Gustave Whitehead, the inventor of the flying machine, of Bridgeport, Conn., who recently flew half a mile successfully, is now engaged in constructing a new machine, in which he proposes to fly to New York. He said the other day: "My success in flying with the first model, which is rough and cumbersome, has induced me to build another machine, which will be larger and strong enough to carry two men. I shall fly to New York on my next trial. I am confident that I can fly that distance with my new machine. I will then have my new acetylene-chemical pressure generator ready. I can carry enough calcium carbide, which is the fuel used, to fly for 20 hours. That is more than enough to fly to New York with. My present machine I am going to take to Atlantic City to exhibit and shall demonstrate its practicability there as being able to carry a man."

Inventor Whitehead has received scores of letters since the articles on his successful flight were published from scientific men in all parts of the country asking all sorts of questions and for descriptions of the machine. He has two expert machinists now working on the new machine and money will not be spared in making it the acme of lightness and strength.

A Runaway Bicycle.

Terminated with an ugly cut on the leg of J. B. Orner, Franklin Grove, Ill. It developed a stubborn ulcer unyielding to doctors and remedies for four years. Then Bucklen's Arnica Salve cured. It's just as good for Burns, Scalds, Skin Eruptions and Piles. 25c, at Brown Brother's Drug Store.

For sick headache try Chamberlain's Stomach and Liver Tablets; they will ward off the attack if taken in time. For sale by Brown Bros.

Hit the Ore.

On Tuesday last a fully anticipated strike of rich ore was made in one of the Ray & O'Brien Company's mines in Ray district. A chute of steel galena ore has been opened in the lowest workings, which has been uncovered forming into a large chimney, characteristic of lead ore bodies. It was about twenty-three inches wide when first encountered, which within the past two days work shows a widening to twenty-eight inches. Assays give results of \$196 value in silver and \$23.90 per ton gold. The percentage of lead is placed at 70.—Bonanza.

"I've Lost Ten Pounds"

A man says. "Look at this." And he over-laps his coat to show how loose it is. There are some people who can lose fat to advantage, but the loss of flesh is one of the accepted evidences of failing health. As flesh-making processes begin in the stomach, so naturally when there is loss of flesh we look first to the stomach for the cause. And the cause is generally found to be disease of the stomach and digestive and nutritive tracts, resulting in loss of nutrition and consequent physical weakness.

Doctor Pierce's Golden Medical Discovery restores the lost flesh by curing diseases of the stomach and other organs of digestion and enabling the perfect digestion and assimilation of food from which flesh and strength are made.

"My wife was for five years troubled with indigestion of stomach and bowels, bloating and severe pain at times during the entire five years," writes Mr. J. Milton Unger, of McConnellsburg, Pa. "Her heart was affected, and she took a purgative every few days but only received temporary relief. She got very poor in flesh and I bought one bottle of Dr. Pierce's Golden Medical Discovery from our druggist and after taking it she said she felt like a new woman. Has no more trouble with stomach and bowels, and has no pain nor bloating. Has gained fifteen pounds in weight."

Dr. Pierce's Pleasant Pellets cure constipation and biliousness.
